

WILBHUR QUERUELA

+63 966-305-3103 | wilqueruela@gmail.com | Valencia City, Bukidnon

Summary

Nothing beats a cup of coffee, a bug I can't resolve, sleepless nights, and the beautifully chaotic life that comes with it. Somehow, through all the frustration, there's always a moment of satisfaction when things finally work—until the next bug shows up.

Experience

HoneyDid LLC | WFH

Front End Developer | 11/2023 - 02/2025

- Contributed to the development and maintenance of responsive front-end web applications using React, Redux Toolkit (RTK), Tailwind CSS, and Axios.
- Ensured cross-browser and cross-device compatibility as part of a collaborative development team.

Freelance | WFH

Front End Developer | 08/2023 - 10/2023

- Contributed to transforming a large-scale website plan into functional front-end designs.
- Used Laravel Blade for templating and implemented responsive layouts with Tailwind CSS and Bootstrap.
- Focused on usability, clean structure, and mobile-friendly design.

Pet Buddies | WFH

Front End Developer | 11/2023 - 12/2023

- Optimized web application performance, resulting in a 30% increase in load speed and improved user satisfaction.

Goody Web Solutions, Inc. | Valencia City, Bukidnon

Full Stack Developer | 07/2023 - 10/2023

- Collaborated on the development of a full-featured booking system for Bangkok Beyond (system.bangkokbeyond.com).
- Focused on front-end development using Laravel with Livewire and Tailwind CSS, while also assisting with back-end tasks.
- Worked as part of a junior developer team.
